June 2023

Dear Neighbors,

In anticipation of the third annual “Boswell Block Party” scheduled for August 12, the Boswell Volunteer Fire Department is yet again planning a souvenir t-shirt to be sold leading up to and at this great community event.

To underwrite the costs of designing and printing the t-shirts, we’re asking our local businesses, and organizations to consider making a small sponsorship donation in exchange for being listed among our supporters on the back of the shirt.

We’d love for the back of the shirt to be a “Who’s Who?” of the Boswell community, and so we’ve intentionally set the most basic sponsorship level to have your business, organization, or even family’s name printed at \$40. Those making larger gifts have the option of having their name displayed more prominently.

To pledge your support and have your name included among our neighbors on the back of the t-shirt, simply return the form below to the fire station along with your payment. This year, we’ll also be able to collect sponsor information and payment electronically on our website at: www.BoswellFire.org.

We ask that all sponsorships be received prior to **July 15, 2023**.

Thank you again for your ongoing support!
